

Field Trip Guide for Teachers

Thank you for choosing A-mazing Acres!

We are excited to host your group! To ensure a smooth and enjoyable experience, please read the following information.

Arrival

To help keep our day on schedule, we kindly ask that all groups arrive at the designated time. If you're traveling by bus, please inform us ahead of time. Upon arrival, please have your bus driver wait for further instructions. If you have buses, we'll direct them to turn around and face east for an easier exit.

If you are arriving by personal vehicles, please have your group park together in one row. A staff member will greet you upon arrival, at which time you'll:

- Schedule your hayrides
- Provide payment
- Receive any supplies if you've selected the Mining Adventure option.

Payment

To help speed up the check-in process, we request that you make a single transaction for your entire school group. Payment can be made by cash or check. Please bring **exact** change.

Hayride

Your hayride will be scheduled when you arrive at the farm. The rides are approximately 20 minutes long and include an educational stop to see our Texas Longhorns and a visit to our pumpkin field where each child can pick their own pumpkin.

- **Hayride Reminder:** We will announce each hayride departure on the PA system. If you miss your scheduled ride, or choose not to go on a hayride, you can collect pumpkins as you exit the farm. We suggest teachers bring a **Sharpie** to label pumpkins and a **tote or tote bag** to help carry them back to school.

Activities

Our activities are self-guided, and we encourage groups to stay together. Please be considerate of other classes or groups that may be on the farm during your visit. Our attractions are spread out

across the property, so there's plenty to do! Here are some of the activities you can look forward to:

- 2 Jumping Pad/Pillows
- Hoppy Bouncy Horses

Lunch

We have picnic tables and benches throughout the farm for lunch breaks. To keep with the farm theme, we ask that you bring picnic blankets or mats for additional seating. If you need extra mats, we have some available for borrowing.

Departure

When it's time to leave, we can make a courtesy announcement via our PA system to help facilitate your group's departure. Please make sure all guests have washed or sanitized their hands before leaving.

And don't forget to grab your pumpkins!
