

## Field Trip

Thank you for choosing A-mazing Acres! Here is some information to make your day run smoothly!

### Arrival

Due to scheduling, we ask all groups to arrive at the scheduled time. If you will be arriving in a bus, please inform us prior to your visit. **Please have your bus driver wait for instructions.** If you have multiple buses, we will have them turn around and all park together. If you will be arriving by personal cars, please have your entire party stay together and park in one row. Upon arrival, you will be greeted by a staff member. At this time, you will schedule hayrides, provide payment, and receive supplies if you have chosen the Mining Adventure.

### Payment

To facilitate a smooth entrance, we ask for a single transaction per school group. Payment can be in the form of **cash** or **check**.

### Hayride

Your hayride will be scheduled as you enter the farm. Rides are approximately 20 minutes and include an educational stop at our Texas Longhorns , as well as a stop at the pumpkin field. Each child will select a pumpkin. We will announce hayrides on our PA system as a courtesy reminder. If you miss, or choose not to go on a hayride, you can collect pumpkins as you exit the farm. We encourage teachers to bring a Sharpie and tote to label, and carry pumpkins back to the school. \*Hayride stops are subject to change depending on farm conditions and animal engagement.
